## Best import

### **Chateau Jolys Jurancon Sec, France 2011 \$27.75**

The colour is medium to full yellow and the bouquet evokes citrus blossom, honeysuckle and many other appealing fragrances. The palate is delicate, seamless and gently fruity, with a trace of sweetness early, then a clean, dry finish, with balanced acidity. It's a lovely wine but drink it soon because the synthetic stopper is not designed for cellaring. 13 per cent alcohol. **92/100 (Huon's Wine 360)**
